## **Built to Support - Built to Win** **Your Partner for Defense & Aerospace**

**FBC Enterprises** is a Service-Disabled Veteran-Owned Small Business (**SDVOSB**) with over 14 years of experience providing a seamless supply chain management for essential components in the **Defense and Aerospace** industry. We are committed to delivering unmatched value to our partners by combining:

**UNWAVERING FOCUS:** We understand the unique demands of the Warfighter. Our mission is to directly support their success by providing the right parts, at the right time, every time.

**AGILE & EXPERIENCED:** Our team is built on a foundation of military experience and industry expertise. We are highly responsive and can scale our capabilities to meet your exact needs, ensuring efficient and reliable fulfillment.

**ENGINEERING INNOVATION:** Unleash the potential of new designs. Our in-house engineering capabilities bring new build-to-print opportunities to life. We have the technical knowledge to navigate complex material requirements and deliver solutions that meet the most demanding specifications.

**UPGRADE YOUR SUPPLY CHAIN:** Experience the difference of a supplier who is dedicated to exceeding your expectations. We offer precise contract and order management, streamlined fulfillment, and a proven track record of success.

**EXPAND MARKET REACH:** Tap into our network of leading manufacturers and distributors who can help you reach new customers and optimize your market position.

**UNMATCHED QUALITY & SECURITY:** FBC prioritizes quality and information security. We are ISO-9001:2015 compliant and maintain a CMMC Level 2 System Plan for handling sensitive data.

## **PERSONALIZED CONSULTATION:**

Our expert team is ready to sit down with you to understand your unique challenges and objectives. During our consultation, we'll map out potential improvements and adaptations specifically suited to enhance your sales needs.
